

H.N.C.E.

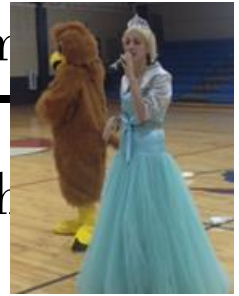

Where there's JOY in the journey!

Issue 1 August 2014

Teachers and staff welcome
 students back to
 the 2014 school year with a *Disney* themed
Back to school rally rally.

Teachers and staff dressed up as all kinds of Disney characters.

Mrs. Prescott and Mrs. Roth were the news reporters at the HNCE rally. Each Disney character from each movie/show came out one at a time and talked about the activity they were going to do with certain children. These students were recognized for various accomplishments.

The kids that came down either got a homework pass or a special field trip!

They also showed a great video about going back to school. We all had lots of

fun! *Most of everyone thought the Disney*

characters were great!

By Jaden Ladner and Lexie Spiers

Make sure your parents follow us on Twitter @hncehawks. By following us, they will get tweets that the students tweet. The tweets will tell them about exciting things that are happening at HNCE.

Bus safety is a big deal around our school. Some major rules are stay seven feet from the bus when it is on.

Stay where the bus driver can see you. Use the hand rail while getting on the bus.

Other rules are:

- * Sit down
- * Stay seated forward
- * Do not take anything out of your book bag.
- * Keep everything out of the aisle.

If you follow these bus safety rules, you will have a great ride on the bus.

Master Gardener

We would like to thank Ms. Joye Ferrill, master gardener, for donating plants as well as her valuable time to H.N.C.E.!! Some of these plants are located in the front of our school in decorative planters. Others are placed in planters that are watered by our rain chains which redistribute natural rainfall. She was assisted by Mrs. Jennifer Seal, her daughter, who also serves as our school board president.

HAWK HABITS

With the help of our HNCE Staffuly and the Fox News Team, our student body shot a commercial for WXXV Fox 25. I asked real teachers and students what they thought about the commercial. Ms. B said, "I didn't get to watch it, but I thought it was neat how they shot it from different angles." My fellow classmate Kobey said, "Making the commercial was cool and fun." Mrs. Spiers said, "I think it is exciting that our students get to be in a commercial." I thought it was really fun that we got to be on the commercial. Be sure to look for our commercial on Fox 25.

The "Hawk Habits" are very important to follow. They are: be safe, be respectful, and be responsible. Ways you can use the hawk habits are be respectful to your teachers and classmates. You can be safe by watching where you are going. You can be responsible by reporting bullies to your teacher or principal. Our school is great because we follow the hawk habits.

Welcome to the HNCE Family

Mrs. Mindy Schlosser
Art

Mr. Colton Ball
PE Coach

Mrs. Brittany Thompson
4th grade

Ms. Alyssa Nelson
2nd grade

DID YOU KNOW....

*If you travel at the speed of light , you would never get older.

* An average major league baseball is used for only six pitches.
